WUHS Exam Exemptions –1st Semester 2020-2021

Who is eligible?	All full-time (5 scheduled classes minimum) juniors and seniors who meet eligibility requirements.
What are the grade requirements?	A student must maintain a minimum of A- grade both quarters preceding the exemption. The A- grades apply to AP courses as well.
Is parent permission required?	Parents of all students will be notified via school messenger regarding the exam schedule and exemption requirements. Parents not wishing to have their student utilize the exam exemption process will be required to notify the main office by Wednesday, January 13, 2021.
What are the attendance expectations?	Students may not have any unexcused absences in the two quarters preceding the exemption (unexcused, or unexcused over-limit).
What are the behavioral expectations?	A student may not accumulate any written office referrals or in/out of school suspensions in the two quarters preceding the exemption.
How many exemptions can I have in one semester?	A junior/senior may exempt a maximum of two (2) exams in a semester. However, students may not exempt both semesters of a year-long class. The exception would be an A.P. class in which the student takes the A.P. exam in May.
In which classes can exemptions be used?	An exemption may be used in both core and elective classes, yet not classes offered through other educational institutions (Gateway, UW-Parkside, etc.)
How is the final grade figured?	The final grade for the class is the average of the two quarter grades. The exam grade will be “ex” or excused in the electronic gradebook and not count against a student’s semester grade.
